The Dual Diagnosis Consultant delivering the training, has over 7 years lived experience as an ex-addict himself & spent over 10 years accessing various treatment and recovery programs to work through the underlying issues. Since then, he has 25 years of clinical experience as a counsellor and 16 years as an educator to Government and Non-Government organisations in Australia.

The Dual Diagnosis Training Intro video on the website (www.dualdiagnosisistraining.com.au) introduces the 2 day advanced training that explains Substance Abuse, (with Alcohol & Other Drugs), as well as Mental Health Issues. The training is outlined in detail below at the end of this email and further information is also available on the website. This training will equip workers to be able to deliver a brief & early intervention to people struggling with substance abuse and mental health issues as well as advanced psychotherapeutic skills.

Training will start **9am SHARP** and will finish around 5pm. Please arrive between 8:30am - 8:45am on 1st day to allow us time for registration.
